

# IBM Cloud Account

The screenshot displays the IBM Cloud Account Dashboard. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (SRIKANTH K's Account). The main content area is titled "Dashboard" and features a "Create resource" button. Below this, a "For you" section presents six curated cards: "Build" (a large blue card), "View APIs and SDKs" (5 min), "API Connect" (2 min), "Explore IBM Analytics Engine" (10 min), "Plan your hosting environment" (2 min), and "Get started with Containers & Kubernetes" (30 min). Each card includes a brief description and a "Getting started" or "Recommended" button. The bottom section contains four widgets: "News" (with links to IBM Storage price guarantees and Key Orchestrator updates), "Recent support cases", "Planned maintenance", and "IBM Cloud status" (displaying a detailed status matrix).
